EDITORIAL

The Department of Educational Management, Federal University Dustin-Ma, Katsina State is pleased to publish Second Edition Jan-June, 2024 Journal. This is in line with the core objective of the Journal, which is to provide opportunities for academics to publish their research works for national growth and development, particularly in the educational sector.in general and educational management in particular.

The Department knows that speedy processing of articles and prompt feedback to contributors are very vital for a Journal to gain good patronage. I am convinced that the Journal will gain overwhelming patronage from scholars in universities within and outside the shores of the country. This is due to speedy review of articles submitted for publication by our team of Reviewers which cuts across different Universities. Well written and thoroughly researched articles will be regularly packaged by our experienced and versatile Associate Editors and Editorial Board members who will ensured that articles submitted, having met the prescribed criteria, are promptly accepted for publication after rigorous blind review.

The Editorial Board will be very sensitive to the desires of our contributors and will not compromise standard. I therefore urge our colleagues in the academia to please collaborate with us towards projecting educational research, to advance national course for the good of all.

The linkage to this edition could be found at fudmajem@gmail.com.

I am very sure you will enjoy reading the articles in this edition. Thank you for your interest in our Journal.
